## **Membership Payment Details**

The AEU-NT relies on membership payments as its primary source of income. In order for the union to function effectively we require regular and prompt payment of fees.

**Unfinancial members will not be entitled to receive assistance from the union.**

When joining the union or when member details change, please use the AEU-NT Branch membership application form. On this form you will find a variety of payment options outlined, including direct debit and credit card payments.

Dues may be paid by telephone provided a credit card number and expiry date is given. Direct debits may attract a small fee from your financial institution, depending on the type of account and the particular financial institution.

Salary deductions for union fees are also available. Please fill out the appropriate form.

**NB: Resignation from the AEU-NT Branch is effective two weeks from the date the Union receives written notice or from the effective date stated in the advice if it is more than two weeks from the date the advice is received.**

As the Union does not receive any advice from the Department of Education, Charles Darwin University, Batchelor Institute or other employers in respect of staff whereabouts, it is important that you keep the AEU-NT branch informed of any changes in your circumstances e.g. change of workplace, change of your private address or resignation.

This information is vital in assisting us to provide the best possible service to our members.
