## Government Offer Imminent

The NT Government's response to the Teachers and Educators Log of Claims should be on the table within the next week.

Due to the cancellation of a Cabinet meeting in week 7 of this term, the Commissioner's recommendation won't be able to go to government until week 8.

The AEU-NT has been advised that the next Cabinet meeting is scheduled for September 11.

We expect that the Commissioner can get his recommendations signed-off by Treasury and delivered to the Union by Friday, September 14.

As soon as we know the Government's offer, members will be informed.
