## Four-Hour Stop-Work Action Monday 28<sup>th</sup> April

The AEU-NT Executive met via teleconference last Friday 18<sup>th</sup> April to consider regional feedback from the phenomenally successful full-day strike on Thursday 17<sup>th</sup> April.

It was clear from all meetings that members wanted another four-hour stop work action, if Collective Agreement negotiations had not progressed satisfactorily.

Executive overwhelmingly articulated the will of members to send a clear message to Government that its latest offer is unsatisfactory both in terms of its content and the way it was delivered.

Executive decided that the next stop-work action will occur **from 10.15am – 2.15pm on Monday 28<sup>th</sup> April.**

Venues will be listed in the next Update.
