AEU-NT Teachers & Educators Bargaining Next Stage for Campaign

Meetings across the NT on 13 May saw members endorse a revised set of our claims.

- 14 % over 2 years and an additional 6% for a 3 year Agreement
- Reduction in temporary contract employment target by the end of 2008 to no greater than 15 % of classroom teachers
- Discussion with Government representatives regarding all staffing levels and new initiatives of Federal and Territory Governments affecting Indigenous education
- The No Disadvantage Test on Remote Allowance package
- **NO TRADE OFF OF CURRENT ENTITLEMENTS FOR THE ABOVE**

We have also agreed to a major community and media campaign about our dispute and why teachers are continuing to take industrial action.

Further 4-hour stop work action has been supported in the majority of regions.

A schedule of 4-hour stop work meetings and after school rallies will be advised in the next update.
